BW Unlimited
Attention: George Wooden

Dear George,

I want to thank you for BW Unlimited's help making the National Kidney Foundation of Maryland's 5th Annual Santé: A Culinary Odyssey a smashing success.

Your consignment auction items, professional auctioneering, and expert consultation were invaluable in making this another groundbreaking event for the foundation. During the months leading up to the event, throughout the night of the event, and even after the event you and your BW Unlimited Team were professional, courteous, and extremely helpful. Our guests loved the variety of auction items you provided and during the live auction and Fund the Mission guests were not only inspired to purchase and donate but were entertained by your energetic auctioneering and personality. I appreciated your flexibility and time when attending site visits and your availability to meet to discuss the details of the event. While a skeptic by nature, my trust in BW Unlimited my trust was not misplaced. All of your hard work and fantastic auction items came together to form a fantastic event.

So, I send my sincerest thanks to you and the BW Unlimited team for your expertise and line of consignment auction items. It was a pleasure working with you.

Sincerely,

Averil Christens-Barry
