Dear Nick,

I can't thank you enough for the outstanding work you did for our event this past weekend helping the Leukemia & Lymphoma Society of the Greater Harrisburg Area. Now that I'm several weeks into the Man & Woman of the Year campaign, I can tell you what a relief it was to have someone I could rely on and take some of the pressure off of me.

It really meant a lot to me that I didn't have to worry about accumulating high-end items for my guests, and that I didn't have to worry about setup or anything else that comes with the logistics of a silent auction. The best part is, it's a no-risk situation! Every non-profit should be doing this to raise money for their causes. I can't believe I've never heard of a company like yours until now.

At the end of the night we ended up making some money for the greater good of those who suffer from blood cancers and I cannot thank you enough for your support and role in that. Your services were outstanding and if there is ever anything I can do to thank you, please feel free to let me know. I'm happy to help in any way I can.

Thank you again,

Carley L. Evans
