To BW Unlimited Charity Fundraising,

On behalf of the Harrison Family, we would like to thank BW Unlimited for organizing an amazing fundraiser for our grandson Austin Harrison on July 17, 2015 at Martin's East in Baltimore County, Maryland.

From the time we met, we truly appreciated your professionalism and how easy you made planning such an enormous event possible. We could have never had a fundraiser that large and profitable on our own and honestly, we did not think it was possible.

The knowledge and expertise we were given leading up and for this event was above and beyond what we could have ever expected. With over 600 people in attendance, the benefit was an overwhelming success!! From the selection of auction items, to George being our auctioneer, we were truly blown away. Even now, we are still receiving compliments from all of our guests on how wonderful the event was. Then, more importantly, we raised much more money than we could have ever expected. You truly produced a fundraiser that matches what some of the largest charities would dream to host – without a doubt, we could have never done it by ourselves.

With an organization like BW Unlimited, we are reminded that there are people that are willing to go the extra mile to make a difference in people's lives.

Thanks Once Again, GOD Bless!!

Herb & Regina Harrison
