Dear Mr. Wooden,

On behalf of Hope For The Warriors® I would like to personally thank you for your hard work for our 5th Annual Got Heart, Give Hope® Gala in Washington, D.C.

BW Unlimited provided quality items and great customer service. It was comforting to know that I could call you on your cell phone any time of the day to review auction details. I appreciate the amount of guidance and support you provided throughout the planning process.

At the event, your team was professional, organized, and willing to assist in any way we needed. Your staff members were energetic and friendly to all of our donors resulting in some very happy customers!

Thank you for helping us raise money to provide services for wounded service members, their families, and families of the fallen. Without your support, our auction would not have been as successful as it was.

I look forward to working with your team again in the future!

Sincerely,

Jordyn Buglione
